THUNDERCROSS

CONTROLS

Joystick in Port 2
Use Joystick to alter direction of guns
You will stop when you shoot

AVOID

Colliding with aliens
Enemy missiles
Colliding with raised parts on Space Hoover

THE GAME

Firepower increases during the game. Shooting aliens and the raised parts of the Space Hoover increases your score according to the threat posed.

Additional guns shoot relative to the direction aimed by the joystick.

Failure to destroy enough of the Space Hoover will result in death by inhalation. Shield power increases during the game. When shield power is lost death is inevitable.

The heroes of the battle are allowed to enter the Hall of Fame.

Press fire button to go from Hall of Fame, to the credits; Press again to enter into Battle.
